

Car Parts App - Quick Start Guide for Shippers

Welcome!

Your job: Pick orders from the warehouse and prepare them for shipment.

Step 1: Login

1. Enter your ****email**** and ****password****
 2. Click ****Login****
 3. You'll go directly to ****ORDERS**** tab
-

Step 2: Your Daily Workflow

View Pending Orders

1. Click ****ORDERS**** tab
2. You'll see "Ready to Pick" orders
3. Orders are listed by order date (oldest first)

Pick an Order

1. Click on an order
2. ****Check items**** listed (part name, quantity, location)
3. Go to warehouse shelf location
4. ****Scan barcode**** or manually collect items
5. ****Mark as Picked**** in the app

Review Picked Items

1. App shows checklist of items
 2. ****Tick off**** each item as you collect
 3. ****Take a photo**** (optional, for QA)
 4. Click ****Confirm Pick****
-

Step 3: Pack & Label

Pack the Order

1. Click the order
2. Click ****Mark as Packed****
3. The system generates a ****packing slip**** (shows order number, items, customer address)
4. Print it and place in box

Barcode Scan (Optional)

- Scan the order barcode on the slip to confirm
 - Helps prevent mix-ups
-

Step 4: Hand Off to Shipping

Mark as Ready to Ship

1. Click order ****Ready to Ship****
2. Box is now in shipping area
3. Shipping carrier will pick it up

Track It

1. Courier company will scan it
 2. Tracking number auto-updates in system
 3. Customer gets notified
-

Common Issues

****"Item not in expected location?"****

- Check the warehouse map (ask manager)
- Use search to find item

****"Customer ordered wrong quantity?"****

- Mark it and take a photo
- Manager will review before shipping

****"Item damaged?"****

- Don't pack it
 - Mark it as "Damaged" and note why
 - Manager will resolve
-

Your Dashboard

On login, you see:

- ****# Orders Ready to Pick**** (your queue)
- ****# Orders Picked**** (today)
- ****# Packed**** (ready to ship)

****Goal:**** Clear your queue before end of shift

Quick Tips

- **Oldest orders first**** pick the first order in the list
 - **Check quantities**** don't eyeball it, count!
 - **Scan barcodes**** when possible reduces errors
 - **Take photos**** of any issues for the manager
 - **Ask for help**** if you can't find an item
-

Need Help?

- ****Can't find an item?**** Ask the manager or check warehouse map
- ****System not working?**** Refresh the page
- ****Questions?**** Ask your supervisor
